	APPROVAL OF STATE ENGINEER
	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
follo	owing limitations and conditions:
tha amo rig wel ins inc ins	This permit is issued subject to all existing rights on the source. It is erstood that the amount of water herein granted is only a temporary allowance and t the final water right obtained under this permit will be dependent upon the unt of water actually placed to beneficial use. It is also understood that this ht must allow for a reasonable lowering of the static water level at permittee's l due to other ground water development in the area. A measuring device must be talled and measurements of water use kept. The well shall be equipped with a 2-h opening for measuring depth to water. If the well is flowing, a valve must be talled and maintained to prevent waste. The State retains the right to regulate use of the water herein granted at any and all times.
not t	amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and coexceed 0.05 cubic feet per second, but not to exceed 2.26 lion gallons annually.
	k must be prosecuted with reasonable diligence and be completed on or before October 19, 1978
	of of completion of work shall be filed on or before November 19, 1978
	lication of water to beneficial use shall be made on or before
	of of the application of water to beneficial use shall be filed on or before November 19, 1980
	in support of proof of beneficial use shall be filed on or before
_	pletion of work filed DEC 2 0 1978 IN TESTIMONY WHEREOF, I PETER G. MORROS
Proof	State Engineer of Nevada, have hereunto set my hand and the seal of f of beneficial use filed
